MagicDrinks

FOR PROFESSIONAL USE

COCKTAILS PREMIX

MagicDrinks

- Premium professional cocktail bases for making your cocktails the traditional way.
- A foolproof way to keep cost and quality consistent, whoever makes the drink.

MANUFACTURED IN-HOUSE

PREPARATION SYSTEM

1) Add 5 cl of PREMIX to the shaker with ice, using the Magic Drinks doser.

2) Mix with 15 cl of juice/soft drink.

3) Shake well in a classic shaker.

4) Present in an elegant glass, ready to serve.

FOR PROFESSIONAL USE
COCKTAILS PREMIX

MANUFACTURED IN-HOUSE

YIELD

- Standard: 1 + 3 = 4 litres / 1 part cocktail + 3 parts juice, milk or soft drink. **Example:** a 20cl glass would take 5cl of cocktail base + 15cl of the matching juice.

- High: 1 + 4 = 5 litres / 1 part cocktail + 4 parts juice, milk or soft drink. **Example**: a 20cl glass would take 4cl of cocktail base + 16cl of the matching juice.

FROZEN
SMOOTHIES AND SHAKES

MagicDrinks

BLENDER

1) Pour the sachet into the blender.
2) Add 150-200cc of ice and blend for 20-30 seconds.
3) Serve in a suitable glass and garnish.

- Thanks to a major research effort by our R&D Department and the selection of the best international suppliers of fruit purées and concentrates, we have developed delicious natural smoothies. We import directly from origin to process and pack at their best, so they keep their maximum quality.

MANUFACTURED IN-HOUSE

- We use the best ingredients to produce natural shakes that professionals can prepare and finish quickly.
- Made in individual packs on our new doypack line, offering an eye-catching presentation, a long shelf life and storage at room temperature.

MIX FRUIT Cocktails & Smoothies

* Optional pump cap

MagicDrinks

ECO BOTTLE · BIODEGRADABLE ·

MANUFACTURED IN-HOUSE

- Fruit purées have become a key ingredient for high-value cocktails and smoothies. We buy fruit purées in most producing countries (Brazil, Israel, Peru, the USA, France, Indonesia, the Philippines, Chile, Ecuador, Kenya, etc.).
- We import them directly from origin to process and pack them at their best, so they keep their maximum quality. Supplied in a designer bottle with a screw-on dosing cap that also takes a pump cap, so they can be used in many applications without losing their original state.
- Bottle packaging gives an eye-catching presentation and storage at room temperature. Their high quality also makes them essential for pastry products and for decorating buffet desserts.
